

LCMS World Mission Puerto Rico

February, 2006

January and February were filled with epiphany puppet plays, Kid's Club, hosting volunteers, meeting with church leadership about strategic planning, anti-drug presentations and a family cruise.

WI Volunteers/Pre-school Playground

Proverbs 22: 6 "Train a child in the way he should go, and when he is old he will not turn from it."

Recently we hosted a volunteer group who built a playground for our pre-school. These volunteers also helped promote an anti-drug presentation in a nearby middle school. José, who I have talked about in past newsletters and who is a church member, is a teacher there. Over 150 students attended and were encouraged to make good life decisions.

Prayer Requests

- Pray that through community contacts such as the school more people will hear about Jesus.
- Pray for a larger base of new members from which leaders can emerge and be trained.

New Church Chairs- Now to fill them!

Rev. 3: 21 "To him who overcomes, I will give the **right to sit** with me on my throne, just as I overcame and sat down with my Father on his throne."

Also, recently new comfortable chairs arrived. In a meeting with church leadership, future plans were discussed about how through Ablaze natives and missionaries together could fill the seats.

Praying to the Lord of the Harvest, LCMS World Mission, in collaboration with its North America and worldwide partners, will share the Good News of Jesus with 100 million unreached or uncommitted people by the 500th anniversary of the Reformation in 2017.
